and Naval Architecture, Department of Robotics and
Production System Automation

CALL FOR PAPERS

The Society for the Advancement of Philosophy is organizing the ZAGREB APPLIED ETHICS CONFERENCE 2017: THE ETHICS OF ROBOTICS AND ARTIFICIAL INTELLIGENCE. The aim of the conference is to gather philosophers and scholars from other disciplines who will present papers on various ethical aspects of robotics and artificial intelligence (e.g. industrial, military, medical and healthcare robots, robots in entertainment, robots as personal companions, the moral status of robots and AI, artificial moral agents, responsibilities for the design and functioning of robots and AI systems, the impact of robotics and AI on human society). We encourage clearly structured submissions adhering to the principles of conceptual rigor, soundness of argumentation and scientific accuracy.

We invite you to participate in the conference with a paper presentation no longer than 20 minutes (each presentation will be followed by a 10-minute discussion). If you wish to present a paper in the conference, please fill in the attached Application Form and send it to zaec2017@upf.hr no later than 10 April 2017. Notification of acceptance will be sent to authors by 16 April 2017.

The conference will take place from 5-7 June 2017 in Zagreb in the Palace of the Matrix Croatica (Matica Hrvatska street 3). The organizer is unable to cover for the expenses of travel and accommodation (for useful info on accommodation in Zagreb see www.zagreb-touristinfo.hr). No registration fee will be charged. The official language of the conference is English.
